NEC / V484

48" 1920 x 1080 LED Display 24/7

Create maximum visual impact through seamless simplicity with the new professional NEC V series products. New contemporary and slim mechanical design with focused aesthetics allows for the smooth and stylistic integration into any type of environment. Their full metal chassis coupled with real-time temperature sensors and integrated cooling fans maintain the professional quality necessary for commercial environments. With a wide range of the latest connectivity interfaces including resolution support up to Ultra High Definition at 60Hz, these displays offer the future-proofing necessary for the investment. These displays also include expandability options such as the Open Pluggable Specification (OPS) and Raspberry Pi Compute Module slots for source integration directly into the display. The NEC V series boasts 500 cd/m2 brightness along with a new anti-glare surface that allows for efficient readability when ambient light is present and is ideal for 24/7 signage in retail, restaurants, entertainment and education applications.

- Stylish and sleak design allows for easy and unobtrusive integration into any environment
- 500 cd/m² brightness combined with full HD resolution and new anti-reflective screen surface will capture the attention of the audience while allowing for clear visibility in normal ambient light conditions
- Future proof modular expansion options including the ability to integrate Open Pluggable Specification (OPS) or a Raspberry Pi Compute Modules seamlessly into the display
- SpectraView Engine allows for complete color, intensity, gamma or uniformity control for the ultimate imaging performance
- Integrated Media Player allows for audio, video or image playback via USB or SD card that is also upgradeable via LAN
- Industrial-strength, premium-grade panel with additional thermal protection, internal temperature sensors with self-diagnostics and fan-based technology, allows for hassle-free 24/7 operation

NEC / V484

48" 1920 x 1080 LED Display 24/7

GENERAL INFORMATION

Manufacturer Part Number	V484
Manufacturer Website Address	http://www.necdisplay.com
Brand Name	NEC Display
Product Series	V
Product Model	V484
Product Name	48" Commercial-Grade Large Format Display
Product Type	Digital Signage Display

ADDITIONAL PRODUCT SPECIFICATIONS

Full Product Specifications	Click to view

DISPLAY & GRAPHICS

Screen Size	48"
Display Screen Type	LCD
Display Resolution	1920 x 1080
Backlight Technology	Edge LED

VIDEO

Scan Format	1080p
Brightness	500 Nit

NETWORK & COMMUNICATION

Ethernet	Yes

INTERFACES/PORTS

USB	Yes
DVI	Yes
HDMI	Yes
Serial	Yes

POWER DESCRIPTION

Input Voltage	120 V AC
	230 V AC

MISCELLANEOUS

Package Contents	48" Commercial-Grade Large Format Display 3m Power cord 1.8m DVI-D cable Wireless remote control Batteries CD-ROM (User Manual) SD Card Cover Slot Screws

WARRANTY

Limited Warranty	3 Year

ITEM DETAILS

Category	Pro Displays
Color	Black

UPS Shippable	Y
Shipping Weight	52
UPC Code	805736059045
Country of Origin	China
